

## **RE on Sundays is back!**

We meet after story time during Sunday service for 3 weeks a month for the entire school year. Check the newsletter and church calendar for dates! All ages are welcome, Pre-school and up.

The curriculum for the 2011-2012 school year is designed around Learning and Living Our Unitarian Universalist Principles. Each month we will focus on one of the 7 principles during all three weeks of that month. The curriculum is designed for small groups of multiple ages. Lessons will be as inclusive as possible and are designed to work with children who live in multiple households.

If you can't make one week, no problem! If you make all three, then GREAT! Each week will be different, entertaining and have a special message about the seven principles. We'd love to see you there!
